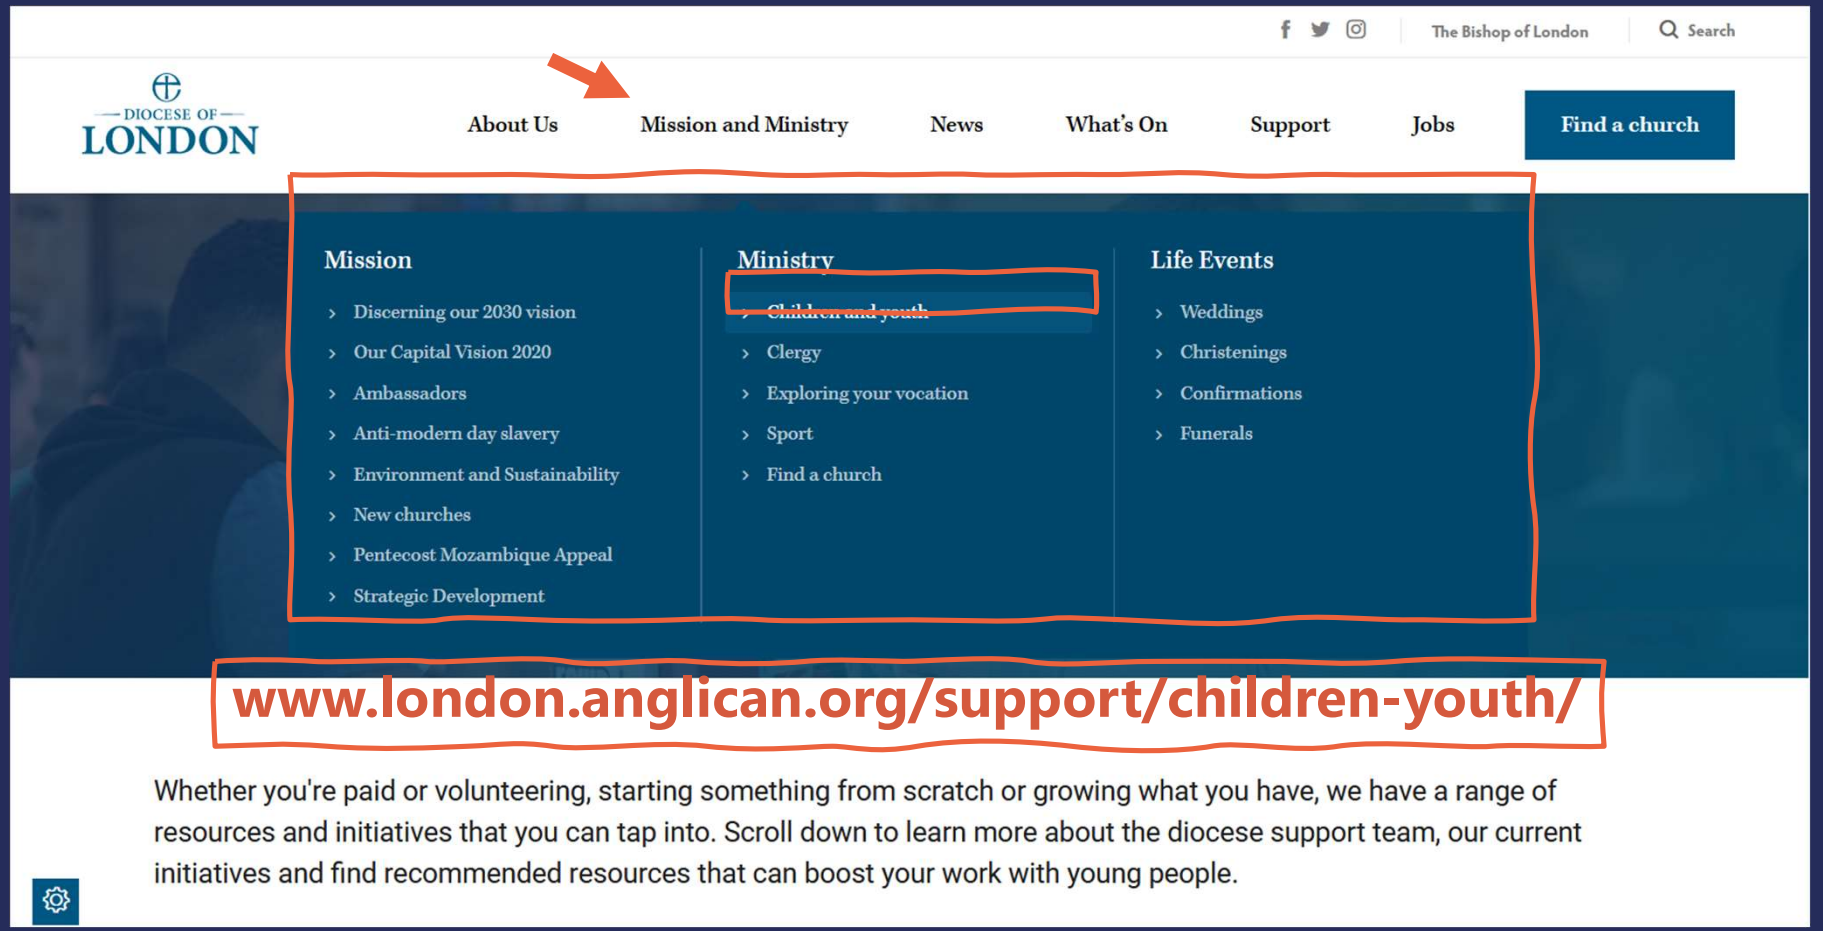
Children and Youth ministry corner of the website…



First Fridays Youth Church

A collaborative Youth focused worshipping community. Our vision is to see Young People know Jesus more, and to know the value and potential they hold.

THE SPARK FUND
The Spark Fund helps 11-25s in the Diocese of London run a missional project.
We're looking for young people to come up with innovative ways to help their generation explore the Christian faith. Your idea could be anything; an organised event, online media presence or something else entirely. With support from professional creatives and a youth worker or vicar, you'll develop your idea into a plan, pitch to receive a grant of £500 or more, then run your project.
Next deadline: 15th October

YOUTH EAST

Emerging movement of Youth in East London

For Leaders / Youth

Next event: Friday 3rd December, St Luke's Hackney

Youth East is the coming together of Youth Groups from across East London and beyond for a night of curated musical performances, giveaways and a guest speaker.

@Youth.East

XLP

- **XLP is about creating positive futures for young people living in the inner city and making a serious and sustainable impact of poverty and educational failure.**
- **XLP sees a world where children and young people grow up well in our inner cities, supported by nurturing relationships and positive role models; developing strong academic and life skills; and with hope for a positive future.**
